(c) On and after July 1, 2015, the total number of retailer's class B licenses issued by the director to sell alcoholic liquor shall not exceed the number of valid retailer's licenses issued as of June 30, 2015. The director may only issue a retailer's class B license to sell alcoholic liquor to a qualified applicant if the issuance of such license would not cause the total number of such valid licenses issued to exceed the number of valid retailer's licenses issued as of June 30, 2015.

New Sec. 2. (a) On and after July 1, 2018, any licensee holding a valid retailer's class B license may transfer such license to any person qualified to hold such license under the Kansas liquor control act. (b) Any transfer of a license pursuant to this section shall be approved by the director. The director may require the transferor, the transferee, or both, to submit such information as the director deems necessary in order to determine that the license transfer satisfies the requirements of the Kansas liquor control act. Such information shall be submitted in the manner and on such

Such license shall be issued for the premises of the transferee as stated in the transfer agreement. The term of such license shall be for the remainder of the term of the license held by the transferor immediately prior to the effective date of the transfer. The director shall not require the payment of any new or additional retailer's license fee by the transferee. The transferee shall pay a nonrefundable transfer fee in the amount of \$500, which fee shall be submitted to the director at the same time the request for approval of the transfer is submitted to the director.

New Sec. 3. (a) On and after July 1, 2018, the director may issue to qualified applicants a retailer's class A license. A retailer's class A license shall allow the licensee to sell and offer for sale at retail and deliver in the original package, as therein prescribed, beer for use or consumption off of and away from the premises specified in such license.

(5) sell any other good or service on the licensed premises.

(d) A retailer's class A license shall be subject to the provisions of K.S.A. 41-1101, and amendments thereto, prohibiting a retailer from purchasing alcoholic liquor from a distributor who has not filed with the director a sworn statement agreeing to sell to all retailers in the distributor's franchised territory at the same unit price and prohibiting a distributor from selling alcoholic liquor to a retailer at a discount for multiple case lots. A retailer's class A license also shall be subject to the provisions of K.S.A. 41-729, and amendments thereto, prohibiting the sale of alcoholic liquor at less than the acquisition cost thereof.

The weighted population average for each city and county shall then be divided by the total Kansas population. The resulting quotient is the percentage of distribution for such city or county. The population data shall be updated annually with the issuance of the certified population data through the division of the budget.

(b) The local cereal malt beverage sales tax fund shall be used for the purposes set forth in K.S.A. 79-4101 et seq., and amendments thereto, and for no other governmental purposes. It is the intent of the legislature that the local cereal malt beverage sales tax fund shall remain intact
